## PROFILE

I'm a student who is currently studying undergraduate majoring in computer science, University of Indonesia. I'm interested and learning in website development but I also interested in other fields such as application development and content writing. With the motto "life is an adventure", I believe that what I do and what I learn, is my provision to be better in the future.

## EXPERIENCE

### CO-TRAINER

#### HOUR OF CODE

Since 2015, I have been a co-trainer at various events Hour of Code like :

- Make your own game with Kodu Game Lab - Microsoft Indonesia
- Hour of Code Minecraft Edition with Satya Nadella - Microsoft Developer Festival 2016
- Build basic logic thinking with simple code - IT Tech SMAN 14 Jakarta

## WORKSHOP

### CREATE YOUR OWN WEBSITE WITH ASP.NET

MICROSOFT STUDENT PARTNER BOOTCAMP | MEI 2016

- Workshop held by Microsoft Indonesia collaborated with Native Enterprise. Try to make a fully working website with ASP.Net Platform and deploy with Azure
